Dear Mr. Smith:

Thank you for your correspondence regarding the Wheaton Central Business District and Vicinity Sector Plan. I have shared your correspondence with my Council colleagues, and I am pleased to respond on their behalf.

The Maryland-National Capital Park and Planning Commission (M-NCPPC) Planning Board recently submitted its Draft Plan for the Council's consideration. The Council has scheduled a public hearing for July 19, 2011 at 7:30 P.M. Should you wish to testify, you should sign up by calling (240) 777-7803. You may also submit additional written commits until August 31, 2011.

In the fall, the Council's Planning, Housing, and Economic Development (PHED) Committee will begin its review of the Sector Plan and will consider your comments to determine whether it believes there should be changes to the Sector Plan to better reflect the role that Wheaton redevelopment will play in improving the quality of water in the Anacostia watershed. PHED Committee meetings are open to the public and are frequently televised.

I appreciate you taking the time to share your concerns with me. Your views are important and will help me in my deliberations on matters that affect the residents of Montgomery County. I know that by working together, we will continue to achieve great things.

Sincerely,

Valerie Ervin
Council President
