### **DRAFT- AGENDA**

- 7:00 P.M. 1. GREEN STREET AND STORMWATER PUMP HOUSE TOUR**  
*Adam Ortiz, Director of Prince George's County Department of Environment*
- Director Ortiz will give a tour of the Edmonston green street and explain the flood control system (which makes use of an Archimedes' screw to move stormwater up to 20', into the Northeast Branch and keep the town from flooding). See pg 2 for directions and details.
- 8:00 P.M. 2. CALL TO ORDER AND INTRODUCTIONS**  
*Marian Dombroski, AWCAC Chair*
- 8:05 P.M. 3. ANACOSTIA RIVER SWIMMING – A PATH FORWARD**  
*Gretchen Mikeska, DOEE*
- Ms. Mikeska will review the current regulatory framework for swimming and the planned changes and discuss DOEE's plan to conduct daily water quality monitoring. The District has just completed a river use survey. This presentation includes visualization of future swimming facilities possible on the Anacostia.
- 8:25 P.M. 4. PROPOSED MAG LEV THROUGH BARC'S UPPER BEAVERDAM CREEK PORTION OF THE ANACOSTIA WATERSHED**  
*Dave Prevar, Retired USDA/ARS, Volunteer*
- Mr. Prevar will provide a brief introduction to the proposed Magnetic Levitation (Maglev) alignments through USDA/BARC property portion of the Anacostia River tributaries. This alignment has potential environmental impacts and could result in transfer of important public land.

**8: 50 P.M. 5. ANACOSTIA TRASH TMDL UPDATE**  
*Phong Trieu, COG*

Mr. Trieu will provide an update on the Anacostia Trash TMDL US District court ruling. This will be an important determination for the Anacostia River.
