# Electric Vehicle Infrastructure

A yellow school bus is the central focus, with its front door open. A line of children, mostly young girls with backpacks, is waiting to board. The bus has "BACK TO SCHOOL" written on its side. In the background, a yellow diamond-shaped sign with black text reads "WATCH FOR CHILDREN". The scene is set outdoors on a paved area, possibly a school drop-off or pick-up zone.

100% zero-  
emission busses by  
2030

Expand charging  
station  
infrastructure

# Public Transit Funding & Transportation Climate Initiative

Enforcement |  
Ombudsman

A photograph showing two construction workers in safety gear (hard hats, harnesses) kneeling on a red metal roof. They are in the process of installing several large, rectangular solar panels. The panels are arranged in a grid pattern. In the background, there is a grey metal structure with louvered vents, possibly part of a building's ventilation system. The overall scene is brightly lit, suggesting a sunny day.

# Greenhouse Gas Reduction Act Reform

Need to reduce emissions faster  
Based on current UN report on climate change

Banning  
Chlorpyrifos  
pesticides

# Carbon Cost Collection

A photograph of an industrial facility, likely a power plant or refinery, with several tall smokestacks emitting thick white plumes of smoke. The facility is viewed from a grassy area in the foreground. A child is riding a tricycle on the left side of the frame. The sky is overcast and grey.

- Fee on carbon at the point of sale
- Rebates for low-income residents
- Revenue for education funding

# Renewable Portfolio Standard Clean Up

Coal phase out |

An aerial photograph of a modern building complex. The building features a prominent green roof with low-lying vegetation. A glass-enclosed courtyard or atrium is visible in the foreground, surrounded by brick and concrete walls. The overall scene is well-lit, suggesting a clear day.

# Building Code and Regulations

3 bills:

1. Changes zoning restrictions near transit
2. Encourage carbon-neutral construction
3. Encourage carbon-neutral renovations

# Septic bills

# Discussion Time

A photograph of a meeting room. A man in a patterned shirt stands at the front, presenting to a group of people seated around a long table. A whiteboard with handwritten notes is visible in the background. The room has large windows with curtains and a fireplace on the right wall.
